

Have a banner year!

Panhandle Gymnastics has been providing high quality gymnastics training in the Panhandle for the past 5 years. With nearly 300 girls in training, members of each family spend an average of 2 hours per week at the gym. To help offset the high cost of gymnastics equipment needed, we are offering banner ad placement to local business community members, like you. These full color banners will be prominently displayed on the walls inside our gyms and will be seen by all our families. The money raised through our banner sponsorship will go to provide additional equipment for both our recreational and Elite competition level athletes.

In addition to your full-sized banner, your sponsorship includes the placement of your banner on the Panhandlegymnastics.com website, social media shoutouts, and on all our class schedule flyers. Class schedule flyers are sent home twice a year to every student at the local schools. We also hand out class schedule flyers to existing athletes in our program, and at local community events.
